Our team is on hand to help if you need us – just call 01684 580771 or email info@balens.co.uk

WHAT'S IN THE PACK?

- **Guidance notes** to help you through the process of getting insured
- The **declaration form** you need to complete to apply for cover
- An **activities list** of common therapies we insure
- A **premium guide** which may enable you to work out how much you will need to pay
- Our **Key Points** document summarising who we are, who regulates us, the service we offer, insurance companies we use and other important information such as the complaints process
- A summary of the **Insurance Act 2015**, including **your responsibilities** to make a fair presentation of the risk at inception, renewal and whenever you request changes to your policy

SOME IMPORTANT LEGAL INFORMATION BEFORE YOU GET STARTED:

Please note the completion and submission of the declaration form does not bind you or us to enter a contract of insurance. More information may be required from you. In order to minimise the need for further clarification please answer all questions fully.

Based upon **your Insurance Act 2015 responsibilities**, you must make a fair presentation of the risk to us when completing the declaration form, at inception, renewal and whenever you request changes to your policy. This means you must tell us about all facts and circumstances which may be material to the risks covered by the policy in a clear and accessible manner and must not misrepresent any material facts. A material fact is one which would influence our acceptance or assessment of the risk. If you have any doubt about facts considered material, it is in your interest to disclose them. If you do not make a fair presentation of the risk the policy may be avoided, written on different terms or a higher premium may be charged, depending on the circumstances of the failure to present the risk fairly.
